Number 6 was considered a failure due to his abnormal pleasure in harming others, which was considered too sadistic and a flaw. Number 6's death is also described in a flashback in Hitman: Enemy Within. It's mentioned there that 47 killed him with an improvised garrote, which later became one of his weapons of choice.

As mentioned elsewhere Leo doesn't find out about the existence of 'Agent 6' until you've got as far as the last 60 pages. The reappearance of the supposedly dead party functionary in the last pages of the book didn't ring true either. Oh well, a pity it had to end this way. I'll now sit back and wait for the -ve votes.
