Hamworthy Compressor Manuals : Breathing Air Systems

Hi, I have a Bristol Hamworthy 4S4 MBCE 6000 2.4cfm compressor (ex MOD). I'm trying to get a copy of the operating and servicing manual. Anyone able to send me an electronic copy or I'm happy to pay for a photocopy. I've just purchased the compressor and don't want to run it without any instructions. I've also spoken to Central compressor consultants about getting new air filters for it.

Some BRISTOL Service Manuals & Wiring Diagrams PDF are above the page. In the 1960s, Bristol conceived a bus that could be equipped with a single or double-decker body. The bus engine was straight and the tail wheel crossed the right side. The canal can be equipped with a JL 6LW, a Jena 6LX or a Leyland O.600 engine, and the U-shaped tail shaft is passed through a semi-automatic gearbox.
