Traditional Healing Methods Traditionally, Hispanics have utilized healers. Healers were an important part of the Hispanic culture. Female family members or neighbors (senora/abuela) were consulted at the first sign of illness. Home remedies were the first line of treatment. These remedies were teas, made from various fruits, herbs ...

Healing Methods - Exploring Hispanic Culture

The first method of healing that I learned was the Reiki, the same method as the nun who had visited me in the hospital. The word Reiki means universal life force and is taught by a master. My Reiki master was a Cajun lady who lived in Lafayette.

The Life of a Healer

The goal of trauma healing is to give victims a feeling that they have control over their lives again. Herman identifies three stages that trauma victims move through as part of the healing process: safety, acknowledgement, and reconnection.[15] These processes have guided the creation of many trauma healing programs.
