Psion Delta 3 Jacob Gowans

Psion Delta restored my hopes for the series. While I felt there were some real technical pacing and coordination problems with the characters separated by distance in book #2, Gowans did not repeat that in book #3. Everything was well paced and the big picture was never lose when we dove down into one of the subplots.

Psion Book Series

Jacob Gowans continues to deliver a great read with the Psion series, I definitely recommend picking up Psion Alpha. The story is fairly straight forward with the interactions of the characters bringing life to a classic good vs. evil story line. Sammy is convincing as the self-doubting hero, not an easy role to write (in my opinion).
