Machiavelli in Love introduces an exciting new concept of sex and sexual identity and their roles in the culture and politics of the Italian Renaissance. Guido Ruggiero's study counters the consensus among historians and literary critics that there was little sense of individual identity and almost no sense of sexual identity before the modern period.

I am Holly Hanson, and this presentation is "Sexuality, Self, and the Shape of Society." I have written and thought about the Bahá'í Revelation and how it affects society - some of you may be familiar with my book on Bahá'í social and economic development, or with essays I have published on Bahá'í ideas regarding overcoming racism, the creation of social justice, and related topics.

The relation between individual and society is very close. Essentially, "society" is the regularities, customs and ground rules of antihuman behavior. These practices are tremendously important to know how humans act and interact with each other. Society does not exist independently without individual. The individual lives and acts within society but society is nothing, in spite of the ...

In a society of control, this increasingly disappears. While freedom seems to be increased on the one hand, the control of our activities expands on the other. Rather than a Panopticon, with a centralized focal point from which activity is surveilled, we have a diffuse matrix of information gathering algorithms.
