The Storytelling Animal

The Storytelling Animal is about the way explorers from the sciences and humanities are using new tools, new ways of thinking, to open up the vast terra incognita of Neverland. It's about the way that stories—from TV commercials to daydreams to the burlesque spectacle of professional wrestling—saturate our lives.

The Storytelling Animal: How Stories Make Us Human ...

"The Storytelling Animal is a delight to read. It's boundlessly interesting, filled with great observations and clever insights about television, books, movies, videogames, dreams, children, madness, evolution, morality, love, and more. And it's beautifully written—fittingly enough, Gottschall is himself a skilled storyteller." Paul Bloom

The Storytelling Animal - Jonathan Gottschall

The Storytelling Animal is about the way explorers from the sciences and humanities are using new tools, new ways of thinking, to open up the vast terra incognita of Neverland. It's about the way that stories—from TV commercials to daydreams to the burlesque spectacle of professional wrestling—saturate our lives.

Amazon.com: The Storytelling Animal: How Stories Make Us ...

Humans are the storytelling animal. Everything we see, hear, feel, dream, and experience is a story. Every single moment we live is a part of the confluence of the haphazardly interconnected vignettes and events that we weave into the story we call our Lives.

The Storytelling Animal: How Stories Make Us Human by ...

The Storytelling Animal finally reveals how stories shape us. "This is a quite wonderful book. It grips the reader with both stories and stories about the telling of stories, then pulls it all together to explain why storytelling is a fundamental human instinct."

The Storytelling Animal : How Stories Make Us Human ...

In his book The Storytelling Animal, which draws on modern neuroscience, art studies, psychology and evolutionary biology, the evolutionary literary scholar Jonathan Gottschall concludes: "Nothing so central to the human condition is so incompletely understood." A good story leaves room for the indefinable.

The Storytelling Animal | The Common

The Storytelling Animal by Jonathan Gottschall . My main takeaways: We love stories Stories are play and practice. We're entertained while we learn Stories are, at the heart, deeply moral We force stories even when they don't exist. For example, Area 51 The longest lasting, most powerful stories of human history? Religion Dreams are stories.

1-Page Summary: The Storytelling Animal by Jonathan ...

He also explains what it means to be a storytelling animal and why stories tend to captivate us so much, especially those who are full of danger and violence. The Storytelling Animal: How Stories Make Us Human presents theories on stories from an evolutionary perspective. It also gives compelling examples of a story's ability to change the course of history, including that of Adolf Hitler.

The Storytelling Animal: How Stories Make Us Human

of the land and animals as well. It's too bad that we've lost those stories here in the SF Bay Area, given the destruction of the indigenous storytelling culture of the Ohlones. I guess we'll have to start telling our own stories and histories. Have you read Richard Schwartz' Eccentrics, Heroes, and Cutthroats of Old Berkeley.
