Once you've found a book you're interested in, click Read Online and the book will open within your web browser. You also have the option to Launch Reading Mode if you're not fond of the website interface. Reading Mode looks like an open book, however, all the free books on the Read Print site are divided by chapter so you'll have to go back and open it every time you start a new chapter.

Re: Fortuner Complete Workshop Manual It unzips to an HTML format, I clicked on "Index" and it took me to some choices. I did not play with it further but the Hilux manual has the same strange way of doing things, one will be able to navigate to the correct section but it is not quite a plain and simple PDF format.
